

PUBLIC MEETING & COMMENT INVITATION

CASSADY AVENUE IMPROVEMENTS BETWEEN PLAZA PROPERTIES BOULEVARD AND AGLER ROAD PID 119516 (FRA CR96-3.15)

PUBLIC MEETING

You are invited to a public meeting on 04/03/25 from 5:30 to 7:30 PM at Howard Community Center, 2505 N. Cassady Ave, Columbus, OH 43219 to learn about this project and provide your input. Residents unable to attend this meeting can obtain the project information and comment form at our website: <https://www.franklincountyengineer.org/public-meetings/>

PROJECT DESCRIPTION

The Franklin County Engineer's Office invites you to share your thoughts regarding our upcoming project in your area. We are widening 1.30 miles of Cassady Avenue between Plaza Properties Boulevard and Agler Road, constructing a 10' asphalt shared-use path and 5' concrete sidewalk. The intersection with Agler Road will also be reconstructed to provide a Northbound right-turn lane and Westbound right-turn lane. The project will also include storm sewer replacement, signal modifications, and mid-block pedestrian crossings. Details about the project are below, and a few questions for you to answer are on the second page.

RIGHT-OF-WAY ACQUISITION

Permanent and temporary right-of-way will be needed for this project. If right-of-way acquisition is necessary from your property, a real estate representative will contact you directly at a later date to discuss the right-of-way needs, the acquisition process, and your rights under that process.

Cassady Avenue Widening

- Two 10' through lanes of traffic
- One 10' center lane (TWLTL=Two-Way Left-Turn Lane)
- 10' shared-use path along the west side of Cassady Avenue
- 5' sidewalk on the east side of Cassady Avenue
- Signal improvements and updated striping at Agler Road.
- Culvert replacements at the 2 stream crossings along the corridor
- Addition of NB RT and LT and WB RT turn lanes at the Agler Road intersection

Proposed Schedule

- R/W Acquisition: 03/2026
- Design Complete: 04/2026
- Utility Relocations Start: 03/2027
- Construction Start: 03/2028
- Construction Complete: 04/2029

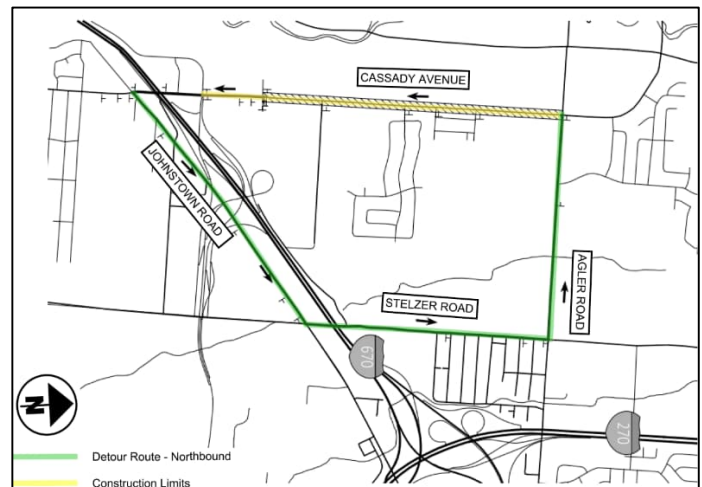

Project Partners

- Franklin County Engineer's Office
- City of Columbus
- Ohio Department of Transportation (ODOT)
- Private Development Contribution

Construction Cost Estimate: \$12.3 million

Maintenance of Traffic during Construction

- One-way southbound traffic maintained for all phases
- Detour utilizes Johnstown Road, Stelzer Road, and Agler Road
- Access to drives and intersections maintained at all times
- Maintenance of traffic shall be active for approximately 9 months

Adam W. Fowler, P.E., P.S.
Franklin County Engineer

PUBLIC MEETING & COMMENT INVITATION

CASSADY AVENUE IMPROVEMENTS
BETWEEN PLAZA PROPERTIES BOULEVARD AND AGLER ROAD
PID 119516 (FRA CR96-3.15)

The environmental review, consultation, and other actions required by other applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 14, 2020, and executed by FHWA and ODOT. In addition to overall project comments, the county requests information regarding any known cultural resources, wetlands, recreation areas, hazardous materials, or any other environmental resources that may be present in the project area.

Name: _____ Email: _____

Address: _____ Phone (optional): _____

Do you have any concerns with the project?

What benefit do you anticipate from the project?

Please comment on any concerns you may have about closing northbound traffic and corresponding lanes for up to 12 months for the project:
