PROJECT OVERVIEW

Description: The Franklin County Engineer's Office intends to widen the existing Dempsey Road Bridge to accommodate a future sidewalk connection on the north side and a future center turn lane.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at: www.franklincountyengineer.org. Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,
Brad Foster, P.E., P.S.
Franklin County Engineer
