**Virtual Meeting: [tinyurl.com/4m65ds9a](https://tinyurl.com/4m65ds9a)**

**For additional information, please contact Kailen Akers, P.E., Bridge Design Engineer at (614) 525-4825 or [kakers@franklincountyengineer.org](mailto:kakers@franklincountyengineer.org).**

The environmental review, consultation, and other actions required by other applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 14, 2020, and executed by FHWA and ODOT

Franklin County Engineer's Office  
970 Dublin Road, Columbus, Ohio 43215  
614-525-3030

## PROJECT OVERVIEW

The Franklin County Engineer's Office intends to rehabilitate the existing bridge by replacing the deck and rehabilitating the arches and spandrel walls. The project will also restore decorative railing to the bridge, similar to the original design.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at: [www.franklincountyengineer.org](http://www.franklincountyengineer.org). Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,  
Brad Foster, P.E., P.S.  
Franklin County Engineer
