Franklin County Engineer's Office  
970 Dublin Road, Columbus, Ohio 43215  
614-525-3030

## **PROJECT OVERVIEW**

The project will replace approximately 3,710 feet of existing storm sewer with new storm sewer lines and structures along Krebs Ditch. The project begins at Hellbranch Run just east of Norton Road and extends to an existing catch basin just south of Kropp Road. At crossings or public roads, traffic will either be maintained, or detours will be established.

The open house style meeting will take place from 5:30 p.m to 6:30 p.m. Project personnel will be available during this time to discuss the proposed improvements. Everyone will have the opportunity to express their views. Comment forms will be available at the meeting and on the Franklin County Engineer website at:

[www.franklincountyengineer.org/public-meetings](http://www.franklincountyengineer.org/public-meetings)

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,

**Adam W. Fowler, P.E., P.S.**  
**Franklin County Drainage Engineer**
