PROJECT OVERVIEW

The project will construct a one-lane roundabout at the intersection of Lockbourne Road and Rohr Road. The project will also add a sidewalk, a paved shared-use path for walking and biking, and improve drainage in the area.

The meeting will be held in an open house format from 5:00 p.m. to 7:00 p.m. You may arrive at any time during these hours. Project staff will be available to answer questions and discuss the proposed improvements.

Everyone will have an opportunity to share their feedback. Comment forms will be available at the meeting and online at the Franklin County Engineer's website: franklincountyengineer.org/public-meetings
