

Summer Programmatic 2026
for
Franklin County Engineer
Adam W. Fowler, P.E., P.S.

July 29, 2026

_____ would like to express an interest in providing
(name of firm)
engineering services to Adam W. Fowler, P.E., P.S., Franklin County Engineer, on the following projects. Our preference of projects is as follows ("1" for most preferred project; "3" for least preferred project; leave the project line blank if you are not qualified and/or not interested in the project):

- _____ **Clark State Road (Headley Road to Skelton Lane) Pedestrian Improvements:** Provide detailed design services for this transit-supportive infrastructure project to construct an 11-foot shared-use path generally along the north side of Clark State Road. This project is funded via the LinkUS TSI program and design services will begin in January 2027. Construction is scheduled for 2030.
- _____ **Fisher Road at Hague Avenue:** Provide construction drawings and right-of-way plans for improvements to the intersection including a roundabout, curb and gutter, bridge superstructure rehabilitation, street lighting, sidewalk, and shared-use path. Coordination with the City of Columbus and ODOT is necessary. This project has received ODOT HSIP funding. Construction is scheduled for SFY 2031.
- _____ **Waggoner Road (Chapel Stone Road to Havens Corners Road) Pedestrian Improvements:** Provide detailed design services for this transit-supportive infrastructure project to construct an 11-foot shared-use path along Waggoner Road. The shared-use path will be on the east side of Waggoner Road south of Kennedy Road and on the west side of the road north of Kennedy Road. This project is funded via the LinkUS TSI program and design services will begin in January 2027. Construction is scheduled for 2030.
